THE GREAT GAS CASE.

Judge Heiskell's Opinion

be constrained to grant a new trial were it not deemed not only unnecessary but improper by the determination which I mow proceed to make on the other motion—the motion in arrest of judgment. This motion must prevail, and the judgment is arrested, and for the following reasons:

If allowed in such a case to use arguments of processing the would are that the statute of limitations bars it from this material amendment. It, therefore, must stand or fall by the case now interest of the party who made the first fault in pleading."

Nor as a matter of fact would a repleader be of avail to the plaintiff, because it would have to try again on the case now interest of limitations bars it from this material amendment. It, therefore, must stand or fall by the case now interest of the party who made the first fault in pleading."

Nor as a matter of fact would a repleader by the case now in the party who made the first fault in pleading."

Nor as a matter of fact would a repleader by the case now in the plaintiff, because it the party who made the first fault in pleading."

Nor as a matter of fact would a repleader by the case now stated in this declaration, for the reason that the statute of limitations bars it from this material amendment. It, there-

tion of the court on this motion should be decided to be erroneous, and by possibility the action of the court on the court on the other motion sustained by the revising court, the litigation is end, and smuch public time saved. On the other hand, if the setion of this common law, where judgment was the other hand, if the setion of this the plaintiff could not, because of the court on this motion is sustained by the appraisance court, the litigation is the plaintiff could not, because of the law appraisance court, the litigation is the defendant, because is the supersecourt the litigation is the setion of the fault in pleading; the defendant, because is the supersecourt the litigation is the setion of the court overruling the motion for a new trial. of the object to which the proceeds will be devoted.

The lecture which was expected to be delivered at the Greenlaw opera-house by Father Burke, is posteded to Monday evening. Father Burks became indisposed during the damp days of the saries.

The first ballot resulted as follows: White 12, Greenlaw 5, Cocke 2. Mr. White ended, and the same result to the public follows. If the motion for the new trial should prevail, another verdict for the plaintiff, under the view the court in this case.

SALARIES.

The first ballot resulted as follows: by the supreme count, the litigation is ended, and the same result to the public follows. If the motion for the new trial should prevail, another verdict for the plaintiff, under the view the court in this case.

HEISKELL, Judge.

SALARIES. taken of the pleadings, would be nugstory, and upon an appeal after another trial the same result must be reached, as iollows the affirmance of this action of the court; nor will it do for defendants to say the court should grant a new trial because they would probably have a verdict upon the future trial, for the resson that the court will not try a case over simply to allow cue side alone to have another chance for a verdict. Besides, both plaintiff and defendants are at fault—the plaintiff, because his declaration is faulty; the defendants, because they did not take ad-

vantage of the fault in limins by demurrer.
I now proceed to give the grounds upon which I base my action arresting too The council then adjourned subject to judgment,
The court is of opinion that it is beyond the reach of successful confutation that, in this case, the decree of Judge Trigg, in the case of T. Dean with the city of Memphis, and the present plaintiff (for the prosecution of which, and obtaining the injunction on which, as the plaintiff, this The case of Caruthers vs. Montgomery was taken up yesterday, but not finished at the hour of adjournment. It will be resumed Monday next. This is motion with the weight of authority that a decla-ration which alleges a decree of a court of competent jurisdiction in favor of a defendant in a suit for inslicious prosecution is conclusive of probable cause, though Scott.

Decision yesterday—Zanoni vs. Gallino. Cases heard—Partee vs. Civode; Neal it was obtained by fraud. Now, plain-tiff insists, in the first place, that there —Jonnson vs. Jobe; Laird vs. Gailor.

Continued—Gartrell vs. Gartrell; Jones vs. Keon: Dammon vs. O'Connor: Greenlaw vs. Rankin; Haines vs. Cooper; Clay vs. Davis; Waggoner vs. Beecher; Watson vs. Hill; Wallace vs. Hicks; Marre vs. Ragio; Stewart vs. M. and A.; Swift vs. Walt. Cases set for to-day: 694, Mahan vs. E. st. Cases set for to-day: 694, Mahan vs. E. st. Leanning of the control of the Cames set for to-day: 694, Mahan vs E st-erly; 695, Ottizens' bank vs Lowry; 695, mayor and aldermen of Memphis vs Brinkley; 697, same vs Overion; 698, Hyer vs Home insurance company; 698, Drake Tennessee, etc., in which suit the deten dants prayed for and obtained an iriunc-tion, etc., * which said irjunc-tion was issued out of said court, and served on the plaintiff, whereby it was restrained and inhibited from said eighteenth day of September, 1867, etc., until the eighteenth day of October, 1869, when the said injunction was diesolved by the supreme court of the United States, and the said suit ordered to be dismissed etc. Here, then, is the distinct avermen of the institution of the suit and issuing

of the injunction by the United States was the only way that the injunction could be continued, until dissolved by the suprame court of the United States, it is aversed by necessary implication, and "facts, however material," says Mr. Gould, "If necessarily implied in any fact expressly stated, now not themselves be substantially alleged." For this reason, if not for others, the court holds that the allegation of the termina-tion of the suit in the United States court sive effect of this decree, and the declars-County Court.

The county court met yesterday mornby verdict; and whether it is or not de pends, as is conceded upon the question ment. The following justices answered whether or not the declaration contains a to their names, when the roll was called: de ective statement of a good cause of

River Report-January 11, 1872.

Local Weather Report-January II. juste supply of illuminating gas for the city of Memphis, the right to wand which we claim as an exclusive and vested right. In addition

of Memphis, the right to vand which we claim as an exclusive and vested right. In addition to the extensive works for the manufacture of coal gas, we have in operation apparatos for manufacturing gas from napths, under the process accured by the Rand & Galepatent. By this method (owned and controlled entirely by us), an illuminating gas is manufactured by one company can manufacture in this city, by from first to one hundred per cent. This is a fact which will become patent to every gas consumer of the city should another company enter into competition with may within the present week an improvement has been made at our works which will forever secure to this city the credit of possessing a light unsurpassed throughout the globe. Through the same agency we will hereafter be able to correct, in a few minutes, deficientles in the power of the light we furnish eccasioned by cold weather, or from other causes. We do not propose to lose a consumer on account of price. Should another company commence to sell gas at a price lower than the rate fixed by this company, we will accord to be such that we desire no assurances or guaranties on the pair of our come to open compesition, the superiority of the light offered by this company, to say nothing of inducements in price, will secure a continuance of the patronage it has so long enjoyed.

It is made the imperative duty of every officer and employe of this company to pay strict steenton to the wants and requirements.
